## **Beskrivelse:**

### ***Pocket-Sized***

Pocket-sized and extremely portable, DJI Pocket 2 is a tiny camera that lets you single-handedly record memorable moments. Equipped to stabilize movement and take sharp photos and smooth videos, Pocket 2 gives you the freedom to create magic at hand.

### ***Small Camera, Big Moments***

DJI Pocket 2 fits perfectly in your hand, bag, or pocket so that you can take it anywhere. When your journey begins or something suddenly catches your eye, Pocket 2 is ready to capture it all.

### ***Single-Handed Capture***

Begin shooting in one second to capture photos and videos at the speed of life.

### ***High-Defin Panorama***

Get the whole mountain range with 180° panorama or everyone in a group selfie with a 3x3 panorama. You won't believe how such a small camera can take such a big shot.

### ***ActiveTrack 3.0***

No matter how you move, DJI Pocket 2 keeps you in the shot with ActiveTrack 3.0.

### ***Story Mode***

Story mode uses video and music templates to make exciting mini-movies in just a few taps.

### ***Timelapse***

Timelapse lets you turn hours into seconds. Motionlapse adds smooth camera movement. Hyperlapse lets you travel through time.

### ***AI Editor***

Not into editing? AI Editor automatically combines your clips with transitions and music to create share-worthy contents.

### ***HDR Video***

A good life is full of color, so show it all. With HDR video, DJI Pocket 2 separates exposure levels by area and layers the image so that the footage pops with life-like details.
