Beskrivelse:

Grid for the Magnum, the TeleZoom and the NarrowBeam Reflector.

Grids are easy-to-use accessories that limit the light spread. The 10° Grid for the Magnum, the TeleZoom and the NarrowBeam Reflector can be used to shape your key light, create background effects in portraits, or accentuate the highlights in still life photography, among many other things. Not compatible with the NarrowBeam Travel Reflector.

Goecker for shooters
