Beskrivelse:

RØDE SC16 USB-C to USB-C Cable

- High-quality shielded patch cable
- Cable grip for cable management
- 300mm long

The Røde SC16 is a high-quality USB-C to USB-C cable designed to connect RØDE microphones with a USB-C output to USB-C compatible devices. Measuring 300mm long, the cable is ultra-flexible, allowing you to attach it to your devices with ease. It also features an in-built cable grip that is compatible with the VideoMic NTG shock mount cable management system. It is particularly suitable for connecting the VideoMic NTG to USB-C mobile devices, but will also work with any RØDE device with a USB-C output, including the NT-USB Mini, Wireless GO and RØDECaster Pro.
