# Goecker for shooters

## **Beskrivelse:**

### G Master super-telephoto zoom

A 100 mm to 400 mm zoom range is ideal for sports, wildlife and similar subjects, with image quality and AF performance that support professional working needs.

### Fast, tenacious autofocus

Floating focus with double linear motor and DDSSM (Direct Drive SSM) drive systems achieves quick response, high accuracy and tenacious tracking.

### High resolution and fast AF at any focal length

Precision G Master optics ensure consistently high corner-to-corner resolution at any focusing distance throughout the lens' zoom range.

### Compact, lightweight and mobile

Innovative modular exterior construction and magnesium components reduce weight and size for improved portability and mobility.

### Outstanding shooting versatility

A floating focus mechanism achieves a minimum focus distance of just 3.22 ft. (0.98 meters) so you can track and shoot subjects at any distance with one lens.

## Specifikationer:

Producent	Sony
Kategori	Objektiv
