Beskrivelse:

Explore the world in wide-angle detail

G Master performance in a wide-angle F2.8 16-35 mm zoom offers a wealth of opportunity to capture subjects in creative new ways. No matter what zoom setting or focus distance you shoot at, this lens delivers consistently superb resolution from corner to corner, with stunning background bokeh when required. A compact, lightweight design makes it manageable for active shooting.

High corner-to-corner resolution

Uncompromised optical design achieves extremely high corner-to-corner resolution and contrast for landscape, architecture, and other expansive subjects.

Gorgeous background bokeh

Shoot close at F2.8 to capture sharp subjects with dynamic, painterly backgrounds consisting of delightfully smooth bokeh.

Light and compact for high mobility

Class-leading size and weight reductions make this 680-gram lens an ideal match for compact E-mount bodies, providing an eminently portable, easily manageable system.
